

Is Your Home Cold in Winter and Hot in Summer?

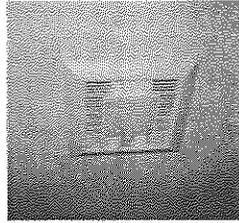

APPLY NOW FOR CEDA WEATHERIZATION!

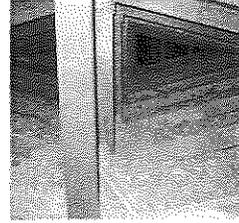

CEDA contractor installs an attic hatch before insulating.

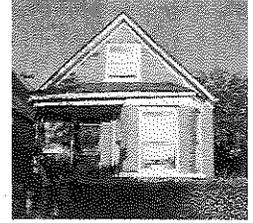

Boiler safety and efficiency

ASHRAE ventilation fan helps to maintain the best indoor air quality in your home

Attic needs more insulation. Weatherization will fix that!

A weatherized home with lower energy usage!

CEDA Weatherization uses state-of-the-art technology to make your home safer and more energy efficient.

The Weatherization Program is available for single family and multi-family buildings.

Weatherization is performed free of charge for income eligible homeowners. Buildings with more than 5 units are serviced by our Multi-Family component.

Weatherization work may include:

- Attic & Wall Insulation
- Draft Sealing
- Indoor Air Quality Improvement
- Furnace/Boiler and Hot Water Heater Replacement
- Carbon Monoxide & Smoke Detectors
- Safety Testing of All Gas Appliances

DOCUMENTS NEEDED TO APPLY

- Proof of gross income for all household members age 18 or older for the past 90 days.
- Current copy of your utility bills (electric and gas).
- Proof of social security number for all household members:
 - ⇒ Social Security Card
 - ⇒ Letter or printout from social security
 - ⇒ Any other governmental-issued identification that shows name & social security number
- Proof of home ownership (one of the following):
 - ⇒ Current property tax bill
 - ⇒ Current mortgage statement
 - ⇒ Recorded deed
